# TABLE ROCK KIWANIS TABLE TALK

June 6, 2019

## **HOT FLASH**

We had another excellent turnout last week. Eleven of our 13 members were there along with nine guests. President Paul had to control Dana Collins, Harry Gerhard, Laura Hall, Joe Guerra, Pam Bock, Jan Bettenburg, Joan Isaacs, Marc Cooper, Jaqui Robbins and Jerry Macleod.

Stephanie Hendrickson has paid her dues and will be inducted into the club formally this week. Also attending were our guest speakers Midge Dail and Elvira Skurdal, our scholarship recipient, Monty Klassan, the Crater H. S. Scholarship Coordinator, Jill Layton, Honorary Member, Matt Sweeney, and an action packed interclub from the Medford Club: Ray McKenna, Tom Sramek and John Ydstie.

Pam Bock was awarded a Community Service Award by the Jackson County Commissioners for the outstanding work she has done in the community. Joan Isaacs, Laura Hall and her husband, John were at the Commission meeting and watched her get her award.

Joan Isaacs reported that the Boy Scout Camp clean-up went very well and everyone there had a great time. A summary of who was there and what they accomplished is included in last week's Table Talk.

**PARKING LOT SALE:** The new date for this event is June 29 at the parking lot in front of Harry Gerhard's office on Pine Street in Central. We still need lots of STUFF and we need some help setting up. There will be a sign-up sheet circulated soon, if not sooner.

**BUILD A BED PROJECT:** This project will be on Saturday, June 15 at the Eden Valley Winery. I don't have a time but we should know that today. Pam Bock is helping organize our participation in this project. It is coordinated by the Sleep in Heavenly Peace organization. There will be a lot more on this program today.

**FRIED BREAD PROJECT:** This is our biggest fundraiser and we need lots of help and support. Joan Isaacs is the ramrod and Laura Hall is signing members up to bring the needed supplies to run the project. It is on July 4, as usual, and we will again set up on the corner of Pfaff Park. We will set up the night before and start cooking fried bread about 8 am on the 4th. We wrap it up at 3 or earlier if we run out of bread or people or both.

**JUNE BOARD MEETING:** Paul Robbins again leaped into the fray and got the June board meeting going on Tuesday. Besides Paul, attending was Harry Gerhard, Jaqui Robbins, Joan Isaacs, Vanessa Hopf, Laura Hall, and Jerry MacLeod. Joani supplied us with ice cream sandwiches and popsicles.

- The minutes of the last board meeting were approved but since our erstwhile treasurer was in Roseville California there was no financial report.
- Our spring parking lot sale was rescheduled to June 29. We really need a passel of STUFF to make this a success. It will again be in Harry's parking lot on Pine Street.
- Our storage unit is still costing us \$120/month. Harry's latest effort for a better price found a site at \$140/month. We are still looking for a better deal.
- Jewett Elementary School is seeking financial help to conduct a Morning Mile program where the students commit to run or walk every morning before school and win prizes if they meet certain goals. They are looking for \$500 to conduct the program. The board felt more information is needed.
- The bed build as part of The Sleep in Heavenly Peace program was discussed. Pam Bock will provide more information at our next regular meeting. The build is scheduled for June 15 at Eden Valley. So far, Paul and Jaqui Robbins, Pam and Rich Bock and Vanessa Hopf have expressed interest in participating.
- Thanks to Paul and Jaqui Robbins and Joan Isaacs our Books for Kids project got a boost in books the past week.
- We received a thank you note from The Foundation for Recovery for our donation.
- Jaqui Robbins has ordered the backpacks for the Crater High School Pantry program that was approved at our last board meeting.
- There was considerable discussion about preparations for the July 4 Fried Bread Project.
- The next board meeting will be July 2 at Harry's office.

### DID YOU KNOW?

If you are a cat lover, you might not be surprised to learn that a group of felines can be referred to as a glaring, a pounce, a clutter or a clowder. Feral cats in masses are known as a destruction of cats.

## **KIWANIS INFORMATION**

Until 1962, Kiwanis clubs were limited to the United States and Canada. But club delegates to the 1961 convention in Toronto approved the extension of Kiwanis to the rest of the world. In April 1962, the Kiwanis Club of Tijuana, Baja California, Mexico, became the first club to be organized outside the two founding nations, Today, Kiwanis clubs are active in more that 80 nations and geographic areas.

## **SPIRITUAL AIMS**

### **THANKING GOD**

**We too often take for granted the fact that God is always with us. His protection is constant; His comfort is ever present. Wouldn't it be tragic if God remembered to attend to us only as often as we remembered to be thankful to Him.**

**Make it a regular part of your life to thank the Lord for His continuing mercies. Mealtime is a great way to remember. Saying a prayer over your food isn't really required. (It doesn't sterilize the food or give it a nutritional boost.) But since you remember to eat several times a day, take the opportunity to spend a minute or two acknowledging God's importance in your life.**

**God wouldn't let a moment go by without thinking of you. Try not to let a meal go by without thinking of Him.**

**SOME MINDS ARE LIKE CONCRETE, THOROUGHLY MIXED UP AND PERMANENTLY SET.**

### **QUESTION OF THE MOMENT**

I guess since he is the youngest of us, he might have a better chance to guess how many peanut butter and jam sandwiches the average American child has eaten by high school graduation. His guess of 1,750 was closest. The answer is 1,500. It is time for another question that requires a wild guess. Let's see how you do.
