HOT FLASH

Another nine last week. Pam again cracked the whip over Joe Guerra, Paul Robbins, Stephanie Hendrickson, Harry Gerhard, Laura Hall, Marc Cooper, Joan Isaacs and Jerry MacLeod.

Also attending were Kira Zavala our speaker from Toys for Tots and Steph's guest Chela Breedlove.

The clock is ticking and **THE CAN** isn't getting as heavy as we would like it to be. We only have three more meetings to get that thing so heavy that Laura (The Keeper of The Can) cannot lift it.

NOTE: THERE WILL BE NO DECEMBER BOARD MEETING. THE NEXT BOARD MEETING WILL BE ON JANUARY 7.

CRATER HIGH SCHOOL FOOD DRIVE: For the next few weeks, bring some canned or boxed food to the meeting for the Crater High School food pantry. We will continue this food drive until the end of the month. The food will go with the back packs we donated earlier in the year.

DIVISION COUNCIL MEETING: This event is THIS Saturday, Nov. 16. It runs from noon to 1:30 pm. It is at the St. Mark's Episcopal Church in the Edgar F. Hafer house (426 W. 6th St. in Medford. Lunch will be a tray of sandwiches, some drinks, and other things, or you may bring you own if you wish. Try to go if you can. It is a great chance to meet Kiwanians from other clubs, get new information and have a good time. If we can get two of us to attend we get credit for an interclub. Unfortunately, I can't go but I understand Pam will be there. Go – she needs some company.

SEE'S CANDY SALES: Now is the time to pre-sell to any live bodies in your life. They need to know that their lives will be enhanced measurably if they stock up on See's Candy. If you haven't got one, get an order sheet from Harry and SELL. We also need your help working in the candy trailer. Next week we will learn everything you ever wanted to know about the "PICKTIME" system so you can sign up for multiple days and hours in the trailer.

The trailer will be installed the week before Thanksgiving and Harry will need some help setting it up at Albertson's. Please let him know if you can help. It only takes an hour or two.

BOOKS FOR KIDS: On December 7 we will meet at our storage unit at 3:30 pm, load the books into my trailer and transport them to the Central Point library and spread them out on tables in the conference room. Around 5:00, kids will start coming in picking out 3-4 books and after the parade we will be inundated by kids. We need help loading and unloading the books from my trailer. I will circulate a sign-up sheet at today's meeting.

CHRISTMAS AUCTION: Stuff is starting to accumulate but we need a lot more by the Dec. 12 auction. We have a number of small items donated by several businesses. All you have to do is ask. They have been most cooperative. Vanessa Hopf has already acquired golf packages from three courses.

SALVATION ARMY BELL RINGING: Marc Cooper has most of the bell ringing times lined up but he needs a few more. If you can jump in for an hour or two on December 14, let Marc know.

SLEEP IN HEAVENLY PEACE: If you have some bottles and cans laying around, take them to the Banner Bank. This is a fund raiser for the sleep project.

INTERCLUBS

No interclubs last week but we can pick up one if we get two people to go to the Division Council meeting on Saturday.

SPIRITUAL AIMS

A GENEROUS HEART

Feeling good about yourself begins with serving others.

In this age when some people have a net worth equal to the gross national product of small nations, how do you know when you have enough? And do you have enough to feel good about your situation?

If you think that having a certain amount of money will make you feel secure, think again. That will never happen. Whether you have a zero balance in your bank account or enough to retire on, you are never going to feel like you have enough -- if your contentment is tied to your net worth.

The only way to reach that point of personal satisfaction is to have a generous heart, no matter how much or how little you have. If you cling to your possessions, they will never satisfy you. If you hold them loosely and share with others, you will always have enough.

KIWNAIS INFORMATION

Club by-laws provide that the club's board of directors shall determine the policies and activities of the club, elect and discipline members, approve the budget and all bills, and have general management of the club. But the club board cannot bind future boards to a continuing policy or project. Committing the club to a project lasting more than one administrative year requires a two-thirds vote of the members at a designated club meeting.

THE SUPER POT

The POT has surged to over \$100. I would be a nice bonus for Christmas. However, you have to buy a ticket, be drawn and then find the JOKER in the deck. Last week Stephanie Hendrickson bought a ticket, was drawn (for the first time) but failed to locate the JOKER. She did collect \$4 for being drawn. At least it is an incentive to buy more tickets.

QUOTE OF THE WEEK

“Humor is the great thing. The saving thing. After all, the minute it crops up, all our harsnesses yield, all our irritations and resentments flit away – and a sunny disposition takes their place.”
(Mark Twain – 1835-1910)

PROGRAM

LAST WEEK: Kira Zavala is the Head Coordinator for Toys for Tots in Jackson County. She explained about the program and then showed some videos. Last year the program distributed 5,200 toys that were donated or purchased with over \$8,000 spent. One hundred and fifty local businesses sponsored the program. They work closely with the Salvation Army and Crater Lake Ford stores the toys until they are distributed. This year distribution day is Dec. 18 and 19. The toys are separated by age and gender to make it easier for the parents to make their selection.

FHOOD FOR THOUGHT

One nice thing about egotists: they don't talk about other people.

YOU KNOW YOU LIVE IN OREGON IF ...

You complain about Californians as you sell your house to one for twice as much as you originally paid.

You never go camping without water-proof matches and ponchos.

You stand on a deserted street corner in the rain waiting for the light to change if there even is a light).

You know more people who own boats than air conditioners.

You only honk your horn if collision is imminent and never for anything else.

You consider swimming an indoor sport.

You consider something a "hill" (not a mountain) if it doesn't have snow on it or has not recently erupted, regardless of its altitude.

QUESTION OF THE MOMENT

We obviously consume a lot of turkeys each year at Thanksgiving. Everyone knew that last week but everyone's guess was way low. Actually, there are 46 million turkeys consumed on Thanksgiving. It was Stephanie's day. She was drawn for the POT and was closest to the question with a guess of 233 million. I forgot to write down what she found in the MYSTERY BAG OF STUFF. Today's question is interesting but odd.
